

DIGIPRO-300

DIGIPRO-300

- * Microcontroller based circuitry for precise light-output adjustment
- * Large Digital Display
- * Light-Output adjustment of 1/8 f-stop
- * Light-Output Variable across 6 f-stops (Full to 1/32)
- * Fan Cooled
- * Robust metal Body
- * Colour Corrected (Daylight) Light-Output
- * Slave ON-OFF Switch provided
- * "Plug-and-Play" circuit boards-enabling quick and easy servicing
